INTERESTING NEWS COMPILATION.

FIFTY-THIRD CONGRESS.

MONDAY, AUG. 30.—In the senate the bill to increase the national bank circulation was discussed and a bill was reported for the repeal of the federal election law. It was decided by a vote of 23 to 29 that Mr. Mantle, of Montana, and Mr. Allen, of Washington, are not entitled to seats and that a governor of a state has not the right to appoint a senator to fill vacancies. In the house the bill in favor of the conditional repeal of the silver purchase clause of the Sherman act was passed by a vote of 247 to 110. The average of sentiment on free silver was shown in the votes on the ratio, at 16 and 29 to 1, respectively, in both cases favoring a trifle more than 100 majority against silver.

TUESDAY, AUG. 31.—Mr. Voorhees, chairman of the finance committee in the senate, reported back the Sherman bill repealing part of the Sherman act with an amendment in the nature of a substitute. The difference between the repeal of the Sherman act and the bill is found in the attachment to the latter of a paragraph declaring that it is the policy of the United States to use both gold and silver as money metals and to preserve parity. No action was taken. In the house an animated discussion took place over the rules between Speaker Crisp and ex-Speaker Reed. Mr. Springer introduced a bill to provide for the coinage of the silver dollar in the treasury, which was referred.

WEDNESDAY, AUG. 31.—In the senate Senator Sherman spoke in favor of the repeal of the silver law, but said the present financial troubles were not due to silver, and that alterations of the tariff laws would prove disastrous to the country. A bill was introduced providing for the dismemberment of the government service of all persons not citizens of the United States. In the house the urgency deficiency appropriation bill (S. 2000) was passed. The new code of rules was discussed.

THURSDAY, AUG. 31.—In the senate Senator Wolcott (Col.) spoke against the repeal of the silver law. A concurrent resolution was introduced providing for the repeal of the Sherman act. Mr. Voorhees spoke in favor of the repeal of the silver law and in favor of free coinage. The time in the house was passed in discussing the rules. An amendment was adopted prohibiting smoking in the chamber at any time.

FRIDAY, SEPT. 1.—In the senate Mr. Voorhees' request for unanimous consent that the senate bill be substituted for the house bill repealing the purchasing clause of the Sherman act was objected to by Mr. Cockrell. Mr. Vance spoke against the repeal of the silver law and in favor of free coinage. The time in the house was passed in discussing the rules. An amendment was adopted prohibiting smoking in the chamber at any time.
